

**GROSSE POINTE PARK
PERSONAL WATERCRAFT / DINGHY CONTRACT**

After much consideration, we now allow a small personal watercraft and/or a dinghy, along with your Water Vessel, in the Windmill Pointe Park Marina. Approval subject to Marina Supervisor and Director of Parks & Recreation and the following regulations:

1. The watercraft and/or dinghy **MUST** be contained within the Well, along side your boat. It cannot go beyond the pilings or obstruct any other boat from getting in and out of his/her well or down the main water way.
2. You must obtain permission from your neighboring Well Holders.
 - Please fill out the bottom half of this contract.
3. You **MUST** also turn in a Valid Michigan Watercraft Registration for the personal watercraft and/or dinghy.

If any or all of these regulations are ignored we will ask you to remove the personal watercraft and/or dinghy out of the water until all of these regulations are followed.

If you have any questions please call 313-822-2812 ext.201 during business hours.

This must be filled out by your neighbor in the Marina if you wish to store a watercraft or a dinghy in your well.
