Pursuant to Section 22-MVC-951(2) of the Code of the City of Grosse Pointe Park, as property owner, I request the Grosse Pointe Park Public Safety Department issue parking violations to vehicles parked on my property. In addition to myself, I also authorize the above listed callers to request unauthorized vehicles be ticketed. I understand that if a violation issued under this request is challenged in court I will be required to appear at the hearing. Failure to appear in court for a hearing will result in the revocation of this request.

I have posted signs on the property meeting the following requirements:

1. The notice shall be prominently displayed at a point of entry for vehicular access to the property. If the property lacks curbs or barriers, not less than one notice shall be posted for each 100 feet of road frontage.
2. The notice clearly indicates in letters not less than 2 inches high on a contrasting background that unauthorized vehicles will be ticketed.
3. The notice must be permanently installed with the bottom of the notice located not less than 4 feet from the ground and must be in place at least 24 hours before a vehicle may be towed.
