

GROSSE POINTE PARK — FARMERS MARKET

FROM THE DESK OF CORIN VANCE, MARKET MANAGER 313-822-2812 EXT 202

vancec@grossepointepark.org

FAX (313) 821-0922

Dear prospective vendor,

1/28/2019

This letter is being sent to you as an invitation to be a part of the Park Market. The Saturday Market will be open to all Michigan Farmers, produce, food and specialty vendors. The City of Grosse Pointe Park and myself value your presence at the market and realize your presence enhances our Farmers Market.

One of the biggest changes of the 2019 season will be the schedule. The market will now take place on the third Saturday of the month. To start the season we will be partnering with Beaumont on a health & wellness focused market. Each market will include Specialty themed events such as inflatables, pony rides, a petting zoo, and much more.

The market season will run from June 15th through September 21st from 9:00 a.m. till 1:00 p.m. in the Grosse Pointe Park business district on Kercheval between Maryland and Beaconsfield. The park market vendor fee is \$20 each day you wish to attend. The payment and registration form is due prior to each market, with a \$10 late fee if received on the day of the market.

All forms can be found online at www.grossepointepark.org under "Park Market", or on our Facebook page "Park Market". For more information or questions, please contact Corin Vance at (313) 822-2812 ext. 202 or email me at vancec@grossepointepark.org.

Regards,

Corin Vance

Market Manager

Corin Vance
