NOTICE TO BUSINESSES

2017 CDBG FUNDED SIDEWALK RAMP REPLACEMENT AUGUST 24, 2017

The City of Grosse Pointe Park has entered into a Contract with a private Contractor to reconstruct the sidewalk ramps on Mack Avenue at the following intersections:

- Somerset Avenue
- Nottingham Avenue
- Beaconsfield Avenue

The contractor plans on starting the project Monday, August 28, 2017. We are anticipating that the project will take approximately 1-2 weeks to complete.

Once removals begin, the sidewalks will be closed to pedestrian traffic at these locations. An alternate route will be required for trips that would take you through these intersections.

The City of Grosse Pointe Park wishes to apologize in advance of the impending construction for any inconvenience it may cause you and hopes, with your cooperation, to complete the construction in a timely manner.

The construction review and monitoring will be performed by **Anderson, Eckstein and Westrick, Inc.** Questions or problems regarding construction operations should be directed to Johnny Tiseo by telephoning **(586) 726-1234** or by mail to **51301 Schoenherr Road, Shelby Township, MI 48315**. Please be sure to include your name, address, the nature of your concern and a telephone number where you can be reached.
