2018 MACK AVENUE SIDEWALK IMPROVEMENTS

SEPTEMBER-OCTOBER, 2018

The City of Grosse Pointe Park has entered into a Contract with a private Contractor to reconstruct the sidewalk on Mack Avenue within the following blocks:

- Phase I Wayburn-Maryland
- Phase II Lakepointe-Beaconsfield
- Phase III Beaconsfield-Nottingham

The contractor plans on starting the project September 18 or 19, 2018. We are anticipating that the project will take approximately 2 weeks per phase to complete.

Once removals begin, the sidewalks will be closed to pedestrian traffic at these locations including street parking on Mack. Temporary entrances will be installed so as to not disturb regular business operations. An alternate route will be required for trips that would take you through these sidewalk intersections.

The City of Grosse Pointe Park appreciates your cooperation to complete the construction in a timely manner.

Thank You,

Department of Public Works
