Spring Issue 2022

CITY HALL 15115 EAST JEFFERSON GROSSE POINTE PARK, MI 48230 PH: 313-822-6200 M-F 8:00 A.M. - 4:30 P.M.

Report From Mayor Michele Hodges

Spring is coming which is always welcome news, even for folks like me who love winter. My hat is off to our outstanding DPW team for keeping our streets and sidewalks clear and our water mains repaired. It will be exciting to soon see them housed in our brand new state of the art DPW building on Mack Avenue.

Similarly, our law enforcement team delivers some of the most important services the government is charged with. Under the direction of Public Safety Director Bryan Jarrell, many new initiatives have been implemented, including Smart 911, which enables residents to place information on file so that first responders are better equipped at times of need. You can record yours at www.smart911.com, and you might want to visit www.local.nixle.com to sign up for important notifications too. Chief Jarrell also ensures our department is prepared to handle the most serious emergencies, including Active Shooters in Schools training, and the provision of a Youth Services Unit. Initiatives like these bolster the department's capacity to pursue accreditation, an endeavor also under the Chief's pursuit.

Have you had a chance to meet the men and women serving you? They want to be the best they can be and are in partnership with the community. Testimony to this fact are regular Town Hall meetings that include interesting speakers and an exchange of information. Dialogue is an important problem-solving tool and it happens at these gatherings.

As you can see, we have solid work underway in city government, all of which is happening in partnership with our elected officials. With respect to the subject matter above, it is worth noting Councilmember Max Wiener chairs the Infrastructure and Maintenance Committee (formerly Public Services) and Councilmember Marty McMillan the Public Safety Committee. Speaking of an elected body engaged with its residents, we are back to in person meetings of the City Council (as required by law). If you learned to enjoy virtual meetings, no need to worry as we are now streaming them, and also working on solutions that advance further transparency and engagement.

Before signing off I thought I'd whet your appetite with news of the spring opening of The Brine, located in the former Janet's Lunch. We all adored Janet's and were sad to see it go, but I'm sure this beautiful new place will capture our hearts just as Janet's did. I would enjoy seeing you there, or anywhere in our fair city, so never hesitate to reach out. Thank you and Happy Spring!"

The "Pink Power" classes are strictly for girls. The goal of these classes is to empower young girls and guide them on a journey of self-confidence and discovery through martial arts. They will learn karate and self-defense as well as build confidence in themselves to find their own voice. Like regular karate classes, the girls can test for rank and participate in all "Turn of the Tide Martial Arts" club events and activities.

Tiny Turtles

Four-year olds love playtime and physical activity. In this 30 minute class, students will work on the skills and coordination needed to kick, punch, block, fall and roll. Through fun games and drills, students will gain the readiness needed to be successful in karate and other sports.

Martial Arts Specialty Classes

There are several specialty classes offered throughout the year for strengthening martial arts skills. Please check the class schedule to see when these enrichment classes are available. Look for the following classes: Sparring, Forms and Testing Prep, Self Defense and Testing Prep. Each class will offer eight weeks of training geared to a specific group of students or focus on the specific skill set listed in the class title. These classes will help support students looking to advance in belt rank.

Turn of the Tide Karate Olympics

I am happy to report that after being sidelined by Covid the last two years, this year we were finally able to hold an abbreviated version of the event that our students wait all year for, the Karate Olympics. Roughly 70 Turn of the Tide Karate students competed in eight different mini-Karate Olympics events during their regular class times. All the Olympians came showing good sportsmanship and put their best moves forward. Each was rewarded with a chance to stand on the podium and earn a medal. The senseis and I left with warm hearts as we watched the students of Turn of the Tide compete with courage and fair play. We are very proud of all of you.

2021 Holiday Awards

Once again, our homeowners brought joy and light to the community with their holiday light displays. This was especially appreciated at a time when our spirits were in need of uplifting during the challenges of Covid. You brought the community aglow with your festive lights, trees, wreaths, inflatables, hanging ornaments, nativity creches, window displays, luminaries, soldiers on guard and snowmen.

The Grosse Pointe Park Beautification Commission members sought out those homes they felt had done an outstanding job. Those homes are being recognized for their displays with a holiday award certificate representing our thanks for a job well done. This year the streets with the greatest number of awards were Balfour Road, Bedford Road and Three Mile Drive. The 900 block of Balfour had 4 winners. Please encourage your block or street to wow us again next season! If you would like to ask the Beautification Commission to check your home for 2022, let us know.

LANDLORDS TAKE NOTICE

Renting of property requires a Certificate of Occupancy permit and all landlords must, for the safety of the renters, acquire a C of O inspection. As in most industries, laws and regulations change periodically and for the safety of your renters, retrofits and repairs must be made. Inspections will be from 8:00 a.m. until 11:30 a.m. No extensions will be granted. Be sure to schedule your inspection early, thereby giving yourself time to complete your repairs and allow access for the inspection. A reinspection, because of no access or incomplete repairs, will cause a \$50.00 reinspection fee to be charged to the landlord. Landlords are required to obtain business licenses annually and must notify the city whenever there is a change in tenancy. These forms are available at City Hall and at www.grossepointepark.org.

SNOW REMOVAL

Streets are our number one priority during snow events. Due to the cost of salt, the Department of Public Works will be spot salting at intersections and mid-way on all streets. During accumulating snow, streets will be salted and plowing will take place when accumulation is 3 inches or greater.

SNOW REMOVAL BY CONTRACTOR

It is the contractor's responsibility to push the snow they are plowing back onto the homeowner's property, not the neighbor's property. The Police Department will issue tickets to contractors who violate this policy.

Sec. 21-52. Sidewalks to be Cleared.

The occupant of every lot or premises adjoining any street, or the owner of such lot or premises, if the same are not occupied, shall clear all ice and snow from sidewalks adjoining such lot or premises within the time herein required. After any snow or ice shall cease to fall, such snow or ice shall be cleared from the sidewalks within twelve (12) hours of such cessation (code 1957).

SIDEWALKS

As a service to homeowners, snow and ice is cleared from sidewalks. In the event that snowfall is very limited or ice build-up occurs, residents are asked to clear their sidewalks within 12 hours of such occurrences. Grosse Pointe Park City Code states as follows:

Sec. 21-53. Failure to Clear.

If any occupant or owner shall neglect or fail to clear ice or snow from the sidewalk adjoining his premises within the time limit, or shall otherwise permit ice or snow to accumulate on such sidewalk, he shall be guilty of a violation of this article and in addition, the Director of Public Service may cause the same to be cleared and the expense of removal shall become a debt to the city from the occupant or owner of such premises, and shall be collected as any other debt to the city. (Code 1957). Please remove vehicles from street during snow storms.
