PROMOTION OF PUBLIC SAFETY OFFICE

MICHAEL MILLER

Mayor Denner presented to Council the promotion of Public Safety Officer Michael Miller to the rank of Sergeant for the Grosse Pointe Park Public Safety Department.

Director Poloni stated there were thirteen officers that took the test and Michael Miller ranked the highest and is deserving of this position.

City Clerk Blahut presented the oath of office to Officer Miller swearing him in at the rank of Sergeant for the Grosse Pointe Park Public Safety Department.

Mayor Denner congratulated Sergeant Miller.

Sergeant Miller expressed his gratitude to his family.

ARBOR WEEK POSTER CONTEST

Mayor Denner and Pat Deck, representing the Beautification Commission, presented the winner and runners up for the annual Arbor Week Poster Contest.
Pat Deck, stated all of the students did a beautiful and very creative job on their posters. The winner, Ema Ellefson was presented with a resolution and a $75.00 award. The runners up, Marco Cavalierre, Ian Dvonch, Alyssa Flores, and Mason Cole were also presented with a resolution, coffee mug, and pin.

The Council thanked the students for their participation in the contest.

796-98 TROMBLEY

Mayor Denner presented to Council for consideration, acting as the Zoning Board of Appeals, a request by Ronald Barrows of 796-98 Trombley for a variance from section 27-31 of the zoning ordinance which prohibits a 3 family dwelling.

The applicant wishes to have a 3 family dwelling for rental purposes.

Mr. Barrows summarized the history of the property dating back to when James Ellison and Herald McC. Deason were employed by the City of Grosse Pointe Park, stating they permitted the use of the third story apartment if it was rented to someone who domestically provided services for the homeowner. He rented the property out for many years, however, has not for the last several years. He decided to rent it out again in 2015 and was informed he was not permitted to rent the third story of his home based on nonconformity with the existing ordinance.

There were several letters received from immediate neighbors opposing the rental and expressed their strong opposition in granting the variance that would allow the third floor of the home to be rented out, and it would add to the traffic and lack of parking. The street was never intended for anything but single family, two-family and should not start a precedence.

Councilmember Clark stated he has served on the Council for almost three decades and there has never been an ordinance that permits a third story apartment to be rented for domestic trade. It has always been a practice to limit density and there is no exception. This request does not meet the hardship variance, and there is no basis for making an exception.

Councilmember Grano concurred with Councilmember Clark’s comments. He stated the preamble to the Charter is Grosse Pointe Park is a residential community and it should recognize the interests of all residents. There has been no hardship presented.

Councilmember Arora stated she is interested in Herald McC. Deason approving the third story rental for domestic trade.

Mr. Barrows stated he does not have anything in writing, approvals were done over the phone.

Motion by Councilmember Clark, supported by Councilmember Grano, to deny the request for a variance from Section 27-31 of the zoning ordinance which prohibits a three family dwelling

1332 WAYBURN – VARIANCE

Mayor Denner presented to Council for consideration, acting as the Zoning Board of Appeals, a request for a variance from Section 27-100, paragraph (b) of the Zoning ordinance which prohibits a fence in the front yard.

The applicant erected a six foot high wooden fence on a 4 x 4 posts. He failed to obtain a permit prior to the erection of the fence.

Mike Vertregt of 1332 Wayburn apologized for not obtaining a permit prior to building the fence. He misunderstood the ordinance stating he believed if the fence did not extend out in front of the house, a six foot fence would be acceptable. He stated he would like to maintain the six foot fence and construct a gate in the front of the fence so he can park his work truck in the yard that would be protected. He stated there have been several items taken out of his yard. He also stated he has a large German Shepherd that he would like to keep in the yard and a six foot fence would prevent him from jumping over. The existing driveway is narrow and is difficult to open your door without banging it against the house. He stated he would provide arborvitaes in front of the fence alongside the gate, if permitted.

Councilmember Robson expressed his appreciation for the investment Mr. Vertregt is making in his home.

Councilmember Detwiler inquired if Mr. Vertregt has a German Shepherd, why does he need a six foot fence at all.

Mr. Vertregt indicated the dog stays in the house at night.

Councilmember Clark indicated the permit was pulled after the fact and is inclined to deny the request.

Resident in opposition stated there is no valid reason to construct a six foot fence around your home and stated it is unsightly.

Councilmember Grano stated we want owner occupied residents investing in their property.

Motion by Mayor Denner, supported by Councilmember Grano, to approve the six foot fence along with a possible gate to provide access to the yard provided that Arborvitaes landscaping must be installed as soon as possible to improve the appearance for the property located at 1332 Wayburn.
