VARIANCE REQUEST – 1177 CADIEUX

Mayor Denner presented to Council for consideration, acting as the Zoning Board of Appeals, a variance from Section 27-100 (b) of the Zoning Ordinance, which prohibits fences in a front yard. The applicant wishes to erect a six-foot high fence within the front yard setback. The property is located on the corner of Cadieux and Kercheval and must maintain front yard setback on both of these streets. The Ordinance prohibits fences in the front yard.

Homeowner of 1177 Cadieux stated they wish to install a six-foot privacy fence due to the proximity of Kercheval and Cadieux, both busy streets with high volumes of vehicles, and for the safety of their future children and current nieces and nephews to have a safe place to play.
Councilmember Read inquired if the public safety department has weighed in on safety issues.

City Manager stated they have not.

Councilmember Clark stated the intent of the Zoning Board of Appeals is to abide by the ordinances unless an undue hardship is presented. With the hardship presented he stated he is not favorable to the variance. Ordinances are established to protect the character of the neighborhood. If this variance was granted, the fence would be protruding in front the neighbors' front yard and it would not be aesthetically pleasing and would be setting a precedent.

Mayor Denner stated the request is two-fold. The first request to the variance is for a six-foot fence to be permitted and the second is for the fence to be permitted in the front yard.

Councilmember Robson inquired how the decision was made to install the fence of wood.

The homeowners stated they would be considerate of the neighbors wishes for the type of fence, if granted.

Councilmember Robson stated arborvitaes which would be most attractive could be planted and a variance would not be required.

Homeowner stated to plant the number of arborvitaes required is not in their budget at this time.

Councilmember Read stated her two concerns are public safety and aesthetics.

Councilmember Detwiler concurred with the statements from Council and recommended the homeowners consider other options for the placement of the fence or plant material instead of a fence.

Councilmember Chouinard stated the area in question is an extremely busy area and visibility is paramount.

Councilmember Grano stated he feels the variance is going to be denied and would the homeowners consider tabling the issue and consider other options. If the variance was withdrawn, a refund of the public hearing fee would be reimbursed to the homeowner.

Homeowners indicated they wish to table the matter at this time.

MACK AVENUE IMPROVEMENT PROJECT

Mayor Denner presented to Council for consideration the adoption of a resolution for the maintenance permit for Phase 2 of the Mack Avenue Improvement Project for Wayne County.

The resolution reads as follows:

MAINTENANCE PERMITS
WAYNE COUNTY
WHEREAS, the City of Grosse Pointe Park (hereinafter the “Community”) periodically applies to the County of Wayne Department of Public Services, Engineering Division Permit Office (hereinafter the “County”) for permits to conduct emergency repairs, annual maintenance work, and for other purposes including the implementation of phase II sidewalk and water main project upon Mack Avenue on local and County roads located entirely within the boundaries of the Community, as needed from time to time to maintain the roads in a condition reasonably safe and convenient for public travel,

WHEREAS, pursuant to Act 51 of 1951, being MCL 247.651 et seq, the County permits and regulates such activities noted above and related temporary road closures;

NOW THEREFORE, BE IT RESOLVED, in consideration of the County granting such permit (hereinafter the “Permit”), the Community agrees and resolves that the community:

Accepts jurisdiction and maintenance responsibility for construction of the proposed landscaping features (concrete sidewalk, trees, trees beddings, light poles, etc.).

Indemnifies, save harmless and defends Wayne County against all law claims, suits and judgement of every name and description arising during and after the construction of the proposed landscaping features (concrete sidewalk, trees, trees beddings, light poles, etc.) within Mack Avenue right of way.

Shall maintain ownership and responsibility for the abandoned water mains within the Mack Avenue Road rights-of-way (ROW).

Shall fill all abandoned water mains, conduits, and structures with flowable fill material.

Shall maintain detailed records of the abandoned water mains including, but not limited to, the locations, depths, sizes and type of material. A copy of these records shall be submitted to the Wayne County Permit Office.

The City will notify “Miss Dig” to record the abandoned water mains as dead/inactive water mains.

The Resolution stipulates that the requesting Community shall, at no expense to Wayne County, provide necessary police supervision, establish detours and post all necessary signs and other traffic control devices in accordance with the Michigan Manual of Uniform Traffic Control Devices.

This Resolution stipulates that the requesting Community shall assume full responsibility for the cost of repairing damage done to the County road during the period of road closure or partial closure.

The Community stipulates that it agrees to the terms of the County of Wayne permit at the time a permit is signed by the Community’s authorized representative.
BE IT FURTHER RESOLVED, that the following individual(s) is/are authorized in their official capacity as the Community’s authorized representative to sign and so bind the Community to the provisions of any and all permits applied for the County of Wayne, Department of Public Services Engineering Division Permit Office for the necessary permits from time to time to work within County road right-of-way or local roads on behalf of the Community.

Dale M. Krajniak City Manager
Nicholas Sizeland Assistant to the City Manager

City Manager stated the permit application was submitted in May and the approval was granted by Wayne County.

Motion by Councilmember Robson, supported by Councilmember Grano to adopt the Maintenance Permit Resolution for Wayne County for Phase 2 Mack Avenue Improvement Project.
