COUNCIL MEETING — SEPTEMBER 24, 2018

The following were present: Councilmembers Clark, Read, Chouinard, Grano, and Detwiler, and Mayor Denner

MINUTES – AUGUST 27, 2018

Mayor Denner presented to Council for consideration the minutes of August 27, 2018 for approval. He noted there were a few corrections that were brought to the attention of the Clerk.

Councilmember Read noted there were several comments made that were not included in the minutes and requested they be included.

Councilmember Clark attended the MML convention and learned that minutes must be marked “draft pending approval” prior to Council approval.

Motion by Mayor Denner, supported by Councilmember Read, to approve the minutes of August 27, 2018 with the corrections noted.

AYES: Councilmembers Clark, Read, Chouinard, Detwiler, and Grano, and Mayor Denner

16615 E. JEFFERSON

Mayor Denner presented to Council for consideration the request by Marc Weaver of 16615 E. Jefferson a variance from Section 27-100 (b) of the Zoning Ordinance, which prohibits fences in a front yard.

The applicant wishes to erect a four-foot high fence in the front yard setback. This property is located on the corner of East Jefferson and Cadieux and must maintain front yards on both of these streets. The ordinance prohibits fences in the front yard. Approval of this proposal would require that the Board of Zoning Appeals grant a variance.

Mr. Weaver stated he has lived in this home for five years. They have a two-year old daughter who is very active along with a dog, and living on Jefferson they are concerned for safety. He noted the footprint of his home only provides ten feet of yard behind his home.
Mr. Gaskin the immediate neighbor is in support of the fence.

Councilmember Clark stated he is generally conservative on approving variances, however, with the uniqueness of his particular lot and the side and front yards both restricted, he stated his support for the variance.

Councilmember Detwiler stated her support for the fence variance, as it is attractive, not a solid fence, and due to the hardship provided favor the fence.

Mayor Denner stated he is inclined to support the request indicating there is support from the immediate neighbor and with the home located on Jefferson and a young child.

Motion by Councilmember Clark, supported by Councilmember Detwiler, to approve the variance to Mr. Weaver of 16615 E. Jefferson for a fence in the front and side yard of his property as the strict application of Section 27-100 results in an unnecessary hardship – variance can be granted due to the uniqueness of the lot along with the immediate neighbor supporting such variance. There are no public safety implications associated with the variance as requested.

AYES: Councilmembers Clark, Read, Chouinard, Detwiler, and Grano, and Mayor Denner

LIBRARY MILLAGE RENEWAL

Miss Kaiser presented a brief over of the information regarding the millage renewal that will be on the November, 2018, ballot.

Miss Kaiser stated the mission of the library is to expand learning, inspire creativity, and connect our community.

The core values are service, access to resources, intellectual curiosity, innovation and respect and inclusion.

In 2018 there were 496,271 items circulated, 466,073 library visitors, 29,023 people attended our programs and 76,662 reference questions answered by the staff.

Miss Kaiser noted the voters will be asked to renew the Library’s millage of 0.6847 mills for eight years, starting in 2020.

The millage will be used for operations, new materials, technology, building maintenance and improvements, and pay down bonds for Ewald and Woods branches.

Miss Kaiser stated for a State Equalized Value of 100,000 would equate to $68.00 per year.
Miss Kaiser stated the library receives approximately 30% of funding from this tax source, and if it is not renewed services would be severely impacted.

Mayor Denner inquired when the existing millage was established.

Miss Kaiser stated the existing millage was voted in 2011, and collected beginning in 2012.

Councilmember Detwiler inquired as to the bond payoff date.

Miss Kaiser stated 2027.

Councilmember Clark stated he will vote favorably on the millage renewal in November.

Councilmember Chouinard inquired if the library is considering opening the Ewald branch on Sundays.

Miss Kaiser indicated it is under review.
