Department Commendation

Upon the recommendation of the Department of Public Safety, the Director of Public Safety awards a Department Commendation to:

Public Safety Officer Scott Gilchrist

In recognition of his service on March 2, 2018

Wherein this officer while on patrol Officer Gilchrist observed a white sedan with its headlights out, traveling south on Nottingham. He followed the vehicle and observed it fail to stop at a red light. Officer Gilchrist attempted to stop the vehicle, which failed to stop and began to flee. Officer continued to pursue the vehicle, which crashed into the cement planters located at Wayburn and Mack. The driver fled on foot and after a foot pursuit was apprehended without incident. Heroin, Marijuana and Cocaine was recovered from the vehicle. Throughout the incident, PSO Gilchrist exercised due care and caution and though a young officer he operated with a certain calmness usually found in veteran officers.

The Director of Public Safety directs that this Department Commendation be entered upon the records of this officer.

Life Saving Award

Upon the recommendation of the Department of Public Safety, the Director of Public Safety awards a Department Life Saving Award to:

Public Safety Clerk Jill Mazzara

In recognition of his service on December 6, 2018

Wherein this officer received a 911 call from mother who stated that while feeding her child, he suddenly began to choke. The mother stated that the infant was not breathing at this time. The mother was in a panic and PSC Mazzara remained calm and immediately dispatched the Medic, while remaining on the phone with the mother. Mazzara continued to update the officers enroute, as well as instruct the mother when the units were arriving and instructing her to meet the officers out in front, so as not to delay treatment. PSC Mazzara’s ability to remain calm and gather and disseminate all vital information to all parties involved obviously played a substantial role in the saving of the infant’s life.

The Director of Public Safety directs that this Department Life Saving be entered upon the records of this officer.

Upon the recommendation of the Department of Public Safety, the Director of Public Safety awards a Department Life Saving Award to:

Public Safety Officer Adam Bremer

In recognition of his service on December 6, 2018
Wherein this officer was dispatched to the 900 block of Nottingham on the report of an infant choking. PSO Bremer arrived and was met by the mother who handed her unconscious son to him and PSO Bremer immediately attempted to clear the infant's airway by delivering several back blows. The infant spit up a gel-like substance and began taking small gasps of air. PSO Bremer laid the infant on its side continued to have more of the substance expelled at which time the infant began to take more frequent and fuller breaths. PSO Bremer continued to treat the infant for a possible febrile seizure. The quick actions and continued care to the hospital undoubtedly saved the infant's life.

The Director of Public Safety directs that this Department Life Saving be entered upon the records of this officer.

Department Commendation

Upon the recommendation of the Department of Public Safety, the Director of Public Safety awards a Department Unit Commendation to:

Public Safety Det. Sgt Michael Narduzzi

In recognition of his service on April 4, 2018

Wherein this officer was patrolling an area on Maryland where several B & E & Larceny of garages had been occurring. PSO Baetens observed some movement in the alley and located a subject standing near a garage with a large pair of bolt cutters nearby. The subject was found to be on parole for Home Invasions and was currently wanted.

During a search PSO Pionk located a single key to a Mercury in the subject’s pocket. PSO Thiel located two Mercury’s at Alter and Charlevoix. One of the vehicles had stolen items from garages on Maryland inside. PSO Remus later went to the address on Devonshire where the subject lived at which time, he noticed the second Mercury was now parked.

Detective Narduzzi obtained a search warrant for that location at which time they entered and found other evidence and both subjects arrested, later confessed to other incidents in GPP. This coordinated effort by this unit, put both suspects back into prison and returned stolen items back to our residents.

The Director of Public Safety directs that this Department Unit Commendation be entered upon the records of this officer.

Application for Waiver and Plan:
Retirement Health Benefit Systems

1. MUNICIPALITY INFORMATION

Local Unit Name: City of Grosse Pointe Park
Six-Digit Muni Code: 822120
Retirement Health Benefit System Name: Blue Cross/Blue Shield
Contact Name (Administrative Officer): Dale Krajniak
Title if not Administrative Officer: City Manager
Email: blahutj@grossepointepark.org Telephone: (313) 822-4375

2. GENERAL INFORMATION

Application for Waiver and Plan: This Application for Waiver and Plan may be filed by any local unit of government
with at least one retirement health benefit system that has triggered a preliminary review of underfunded status. In
accordance with Public Act 202 of 2017 (the Act), if the state treasurer determines that the underfunded status is
adequately being addressed by the local unit of government, the state treasurer shall issue a waiver of the determination
of underfunded status. If requesting a waiver, you must submit a separate and unique application for each underfunded
retirement system as determined by the 2017 Retirement System Annual Report (Form 5572).

Due Date: The local unit of government has 45 days from the date of notification
to complete and file the
Application for Waiver and Plan. Failure to file within 45 days will result in a determination of underfunded status for
your local unit of government as defined by the Act, and your local unit of government will be required to submit a
corrective action plan to the Municipal Stability Board for approval.

Filing: This Application for Waiver and Plan must be approved by the local government’s administrative officer and its
governing body. You must provide proof of your governing body approving this Application for Waiver and Plan
and attach the documentation as a separate PDF document. Failure to provide documentation that demonstrates
approval from your governing body will automatically result in a denial of the waiver application.

The completed application must be submitted via email to LocalRetirementReporting@michigan.gov. If you have
multiple underfunded retirement systems, you are required to complete separate applications and send
a separate email for each underfunded system. Please attach each application as a separate PDF document in
addition to all applicable supporting documentation.

The subject line of the email(s) should be in the following format: Waiver-2017, Local Unit Name, Retirement
System Name (e.g. Waiver-2017, City of Lansing, Employees' Retirement System OPEB Plan). Treasury will send an
automatic reply acknowledging receipt of the email. Your individual email settings must allow for receipt of Treasury's
automatic reply. This will be the only notification confirming receipt of the application(s).

Considerations for Waiver: A successful Application for Waiver and Plan will demonstrate what your local unit has
already done to adequately address its underfunded status. Prospective solutions will not be granted merit in
determining the outcome of the waiver application (e.g. future amendments to collective bargaining agreements,
upcoming millage proposals, potential budget changes, etc.). However, Treasury may consider additional ongoing funding
dedicated to your retirement system if those commitments have been formally enacted by the governing body and can
be documented. Section three of this waiver application allows the local unit of government to enter a brief description
of prior actions that have already been implemented to adequately address its underfunded status. For purposes of Sec. 6.(1) of the Act, this application will also be considered the plan.

Underfunded status for a retirement health system is defined as being less than 40% funded according to the most recent audited financial statements, and, if the local unit of government is a city, village, township, or county, the annual required contribution for all of the retirement health systems of the local unit of government is greater than 12% of the local unit of government’s annual governmental fund revenues, based on the most recent fiscal year.

3. DESCRIPTION OF PRIOR ACTIONS

Prior actions are separated into three categories below: System Design Changes, Additional Funding, and Other Considerations. Please provide a brief description of the prior actions implemented by the local government to address the retirement system’s underfunded status within the appropriate category section. Within each category are sample statements that you may choose to use to indicate the changes to your system that will positively affect your funded status. For retirement systems that have multiple divisions, departments, or plans within the same retirement system, please indicate how these changes impact the retirement system as a whole.

Please indicate where in the attached supporting documentation these changes are described and the impact of those changes (i.e. what has the local unit of government done to improve its underfunded status, and where can we find the proof of these changes in the supporting documentation?).

Note: Please provide the name of the system impacted, the date you made the change, the relevant page number(s) within the supporting documentation, and the resulting change to the system’s funded ratio.

Category of Prior Actions:

- **System Design Changes** - System design changes may include the following: Changes to coverage levels (including retiree co-payments, deductibles, and Medicare eligibility), changes to premium cost-sharing, eligibility changes, switch to defined contribution retiree health care plan, changes to retiree health care coverage for new hires, etc.

Sample Statement: Benefit levels of the retired membership mirrors the current collective bargaining agreement for each class of employee. On January 1, 2017, the local unit entered into new collective bargaining agreements with the Command Officers Association and Internal Association of Firefighters that increased employee co-payments and deductibles for healthcare. These coverage changes resulted in an improvement to the retirement system’s funded ratio. Please see page 12 of the attached actuarial analysis that indicates the system is 40% funded as of June 30, 2017.

Enter System Design Statement here:

Dispatch Union retiree coverage was limited to a two-person contract effective 7/1/07. DPW employees retiree coverage was reduced to a two-person contract effective 7/1/09. Administration and non-union employees follow the DPW/Clerical Contract for active employees. Non-union employees will not receive coverage at retirement. There are 6 admin who will receive coverage. Public Safety was reduced from family coverage to a two-person contract effective 7/1/12. All employees hired 4/1/14, will not receive coverage upon retirement. DPW employees will receive coverage until they reach Medicare age at 65 with 30 years of service. Employee must have at least 25 years of service and for each year deficient of 30 years would be responsible for 5% per year of such premium, once 65 is reached, coverage is terminated. Currently there are 70 full time employees, of those 25 will not receive coverage, and 12 will receive coverage until 65. Employees eligible for coverage contribute 1.5% annually hired prior to 4/1/14. The City has always been on a “pay as you go” format and currently the City pays approximately $650,000 annually.

- **Additional Funding** – Additional funding may include the following: voluntary contributions above the annual required contribution, bonding, millage increases, restricted funds, etc.

Sample Statement: The local unit created a qualified trust to receive, invest, and accumulate assets for retirement healthcare on June 23, 2016. The local unit of government has adopted a policy to change its funding methodology from Pay-
Go to full funding of the Annual Required Contribution (ARC). Additionally, the local unit has committed to contributing $500,000 annually, in addition to the ARC for the next five fiscal years. The additional contributions will increase the retirement system's funded ratio to 40% by 2022. Please see page 10 of the attached resolution from our governing body demonstrating the commitment to contribute the ARC and additional $500,000 for the next five years.

Enter Additional Funding Statement here:

☐ Other Considerations – Other considerations may include the following: outdated Form 5572 information, enterprise fund revenue considerations, actuarial assumption changes, amortization policy changes, etc.

Sample Statement: The information provided on the Form 5572 from the audit used actuarial data from 2015. Attached is an updated actuarial valuation for 2017 that shows our funded ratio has improved to 62% as indicated on page 13.

Sample Statement: 50% of our retirement liabilities are attributable to employees within our enterprise divisions as shown in the attached analysis, yet we could not include enterprise revenue as part of our governmental funds. The attached analysis shows that our revenue ratio (ARC / Total Governmental Funds) would only be 5% when including enterprise funds within the calculation.

4. DOCUMENTATION ATTACHED TO THIS WAIVER APPLICATION AND PLAN

Documentation must be attached as a .pdf to this waiver application. The documentation must demonstrate the prior actions that have already been implemented to adequately address the local unit of government's underfunded status. Please ensure this documentation directly supports and highlights the systems funded ratio as entered in section three of the waiver application above. Please check all documents that are included as part of this application and attach in successive order as provided below:

Naming Convention: When attaching documents please use the naming convention shown below. If there is more than one document in a specific category that needs to be submitted, include a, b, or c for each document. For example, if you are submitting two supplemental valuations, you would name the first document "Attachment 2a" and the second document "Attachment 2b".

## Type of Document

- This Waiver Application and Plan (Required)
- Documentation from the governing body approving the Waiver Application and Plan (Required)
- Actuarial Analysis (annual valuation, supplemental valuation, projection)
- Internally Developed Projection Study
- Documentation of additional payments in past years that is not reflected in your audited financial statements (e.g. enacted budget, system provided information).
- Documentation of commitment to additional payments in future years (e.g. resolution, ordinance)
- A plan that the local unit has already approved to address its underfunded status, which includes documentation of prior actions and the positive impact on the system's funded ratio
- Other documentation, not categorized above

### 5. LOCAL UNIT OF GOVERNMENT’S ADMINISTRATIVE OFFICER APPROVAL OF WAIVER APPLICATION AND PLAN

I __________________________, as the government's administrative officer (enter title) (Ex: City/Township Manager, Executive director, Chief Executive Officer, etc.) approve this Application for Waiver and Plan. We are requesting a waiver of underfunded status, because we have already implemented substantial changes to our retirement system as described above.

I confirm to the best of my knowledge that because of the changes listed above the following statement will occur:

The **Retirement Health Benefit System listed below** will achieve a funded status of at least 40% by the Fiscal Year listed below.

2018 PUBLIC SAFETY ANNUAL REPORT

Public Safety Director Poloni presented the 2018 annual report and stated Index and Non-Index crimes are down to 329 from 2017 342. Robbery statistics were 0 in 2018 compared to 4 in 2017. Vehicle theft totaled 9 down from 14 in 2017 due to the outstanding efforts of the Task Force, malicious destruction of property was 21 in 2018 from 30 in 2017.

Mayor Denner congratulated the department for doing a terrific job.

Director Poloni stated recently there have been many capital improvements including the purchase of new cameras, radios, body cameras, tasers, and a new fire engine.

Councilmember Grano and Robson commended the department for a job well done.

COMMITTEE REPORTS

Mayor Denner presented to Council the committee reports for the meetings since the Council last met.

Beautification:
Councilmember Read summarized the meeting held on March 6, as follows:

The commissioners approved moving the annual awards ceremony to October 10, 2019. As in the past, the awards ceremony will take place at the Tompkins Center.

Brian Colter asked that we remind residents to prune oak and elm trees this month before they leaf out to avoid and prevent the spread of oak wilt and Dutch elm diseases.

Arbor Week posters and contest rules will be distributed to 195 fourth grade students in Grosse Pointe Park. The entries will be judged at the April 11, 2019 Beautification Commission meeting at 7:30 PM in council chambers.
There are several upcoming events including the following:

Celebrate Spring with Keep Michigan Beautiful and the Beautification Commission of Southeast Michigan on April 10, 2019 at the Gazebo in Warren.

Arbor Week poster contest awardees will be honored at the May 13th city council meeting.

The spring plant exchange will be on May 18th from 9:30 to 11 AM at the Tompkins Center.

The commission also had a general discussion regarding the planning commission’s request for input on the master plan and will be submitting a more detailed report to the subcommittee. The areas of interest to the commissioners include:

- Habitat corridors (tracts of contiguous land that support native species)
- Review of the city code with an eye towards adequate drainage, including promoting less “hardscape” in residential and commercial developments and promotion of permeable bases for use in parking lots
- Completion of streetscape along Jefferson from Balfour to Bedford (which we understand was a GPP Foundation project)
- Elimination of pesticide use in the right of way
- Protection of the watershed
- A forestry master plan (which has been prepared by Brian Colter)
- A padded playground surface for the playscape at Patterson Park

Communication:
Councilmember Detwiler summarized the meeting held on January 16th.

The purpose of the meeting was to discuss and review website proposals. There were three proposals received:

Revize:
- Local Company, Troy
- No hacks in 8 years
- 1500 websites built (City of Berkley, Auburn Hills)
- Ease of Use
- Local Training
- Citizen Portal
- Dedicated account and Project Manager
- $15,534 with a $3,500 recurring annual fee
- 5 editors

Civic Plus:
- Unlimited editors
- Located in Kansas and Massachusetts
3500 WEBSITES (Grand Traverse, Jacksons City, Macomb)  
Citizen Portal  
$22,000 - $3,500 annual recurring fee

IT Right:  
Village of Grosse Pointe Shores  
Content Editing  
Layout $3,700

Councilmember Detwiler stated Revize was agreed upon the committee for the upgrading of the web services.

FINANCE REPORT  
JANUARY & FEBRUARY, 2019

Councilmember for Finance Detwiler presented to Mayor and Council the invoices exceeding $5,000 for the months of January and February, 2019, for approval as presented.

NEW/OLD BUSINESS

Councilmember Grano stated that the new construction underway south of Jefferson on Bishop does not have the appropriate fencing around the perimeter. He stated it could be a safety hazard for children. City Manager noted violations have been issued for this site.

Councilmember Grano stated there are currently street lights that are not functioning within the 1200 and 1300 blocks of Audubon.

Councilmember Robson stated Pickle Ball appears to be a big success.

Councilmember Read commended the City Attorney and Bodman for their efforts in the opposition expressed for the Medical Marijuana site which was proposed on Mack in Detroit.

Tawana Evans, from State Representative Joe Tate’s office apprised the Council of an upcoming meeting scheduled at Grosse Pointe High School on March 21, from 6:30 to 8:30 to discuss the Governor’s budget.

Resident of Westchester inquired if we are aware of GFL actually recycling the recyclables or are they depositing the recycling in with the rubbish.

City Manager stated recycling is not a profitable business. However, it is currently delivered to Canada for processing.
Resident of Beaconsfield stated he opposes Fairfax Market and noted there is a storage container in front of the building and it appears they are under construction. He also expressed concerns regarding short-term rentals and GFL, the city’s trash and recycling hauler.

Resident of Beaconsfield also expressed concerns regarding the dumpster/container at Fairfax Market.

City Manager stated the Lease agreement allows for the purchase of the building and operation for a market. The lessee is seeking financing and pursuing purchase of the property.

Resident of Westchester stated he thinks Fairfax Market is essential to the neighborhood, noting it’s nice to have a market within walking distance of your home. He had some concerns regarding the alley behind the 900 block of Westchester and also inquired whether there would be an opportunity for citizen input on the website.

With no further business, the meeting recess to closed door session.

The meeting reconvened to open door session and with no further business the meeting adjourned.
