Guidelines for Public Participants

1. All virtual meetings will be conducted via Zoom with a dial-in option. If you join the meeting utilizing the Zoom app on your computer/tablet/phone, you will be able to listen, see the City Council members, and make a public comment if you desire to do so. We are not allowing the public to utilize a webcam during the meeting. If you join the meeting with your webcam on, it will be disabled by the host.

2. All meeting materials and meeting information is available on the City website at www.grossepointepark.org.

3. The meeting will start promptly at the time listed on the meeting notice. Public participants will be permitted to join the meeting five minutes before the meeting is scheduled to start.

4. When you are ready to join the meeting, please make sure your line is muted to decrease background noise. Public participant lines have to remain muted until the public comment portion of the meeting. Also make sure your webcam is disabled before you join. If you join the meeting with your webcam on, it will be disabled by the host.

5. If you decide you want to make a public comment, please utilize the raise hand function in the Zoom app or on the phone during the agenda item before the appropriate public comment period. To raise your hand on the phone, press *9. Staff will add you to the public comment queue list for the next public comment period. Please note that all public participants are only allowed one three-minute public comment per public comment period.

6. When the public comment period begins, the Mayor will review the process for public comments. After the process is reviewed, the Mayor will call on a Staff
member to read any public comments that were submitted via written statement. When those are completed, the Mayor will call for any spoken public comment. A staff member will call on public participants by either the last four digits of your phone number or your participant name listed in the Zoom app. Public participants will be called in the order they were added to the queue list. Public participants who do not respond within ten seconds of their phone number or screen name being called will be skipped and the next person in line will be called on. This method will continue until all public participants have had the opportunity to comment. **All public comments shall not exceed three minutes and a timer will be displayed on the screen.**

7. Once the public comment period is done, the Mayor will end the meeting.

**Hosts will have the ability to and will remove participants from the meeting if they breach the peace in such a way that disrupts or interferes with the meeting.**
